Older than 65 and tourist riders must also just enter for the medium distance and can not run the long course.

The 2019 Legendary Charly Gaul is by invitation and the Organising Committee may decide at any time whether to accept or not accept the registration or to exclude at any time an enrolled contestant for the event that may damage the image of the event (such as participants who have been disqualified for the use of drugs, banned substances and/or doping). The cyclists who have not regularly registered for the race cannot join the groups, on pain of exclusion. In the event of an accident, they will be reported in accordance with the law.

In order to pick up your race number, you must show your original membership card.

Sports team may submit a collective application. Their race numbers and packages may be picked up only by the head of the group and only upon showing the original membership cards or licenses of all the cyclists.

For single registrations the starting number needs to be picked-up personally by showing the cycling license 2019 and an original valid ID (identity card, passport or driving license) and on handing over a copy of the medical certificate.
